# 看見

一連四天的閱讀週過去了，你最記得什麼？是開幕禮上校長和老師分享、書展中期待已久的好書、中學生好書龍虎榜投票時抽到的書券、玩攤位遊戲時贏到的小禮物、可愛的菜菜子移動圖書車、雞湯故事分享、精美的紀念文件夾，還是可以蓋印的書籤？

而我最記得是買了一本物理書《讀懂量子力學的第一本書》。在第二天書展接近結束的時候，我發現一位學生正苦惱買哪本書，我趨前問她苦惱什麼？她說有兩本物理書想買，但不知買哪本，一本較艱深，一本則較易讀的，但都是很好的書。我拿來看看，發覺不錯，然後跟她說：「太深那本不是人人看得懂，我買較易的一本，放在圖書館，你可以來借，其他同學也可以來看。」她高興地笑了，是一個喜獲好書的笑容。離開前她說：「如果可以借請通知我，因為我不是常到圖書館的。」

從此我就經常在圖書館見到她。其實她每個循環週都有三次來圖書館自修的，只是這件事後，她就被我看見了另一面。正如圖書館有接近兩萬本書，都等待著被你看見。

## 喜閱活動齊參與 Reading Activities Reading Week 2019 2019.2.21-27

The Reading Week was held in late February with the theme — 'Read a book to see the world'. The highlights of the week included book sharing sessions from our principal and teachers, as well as experience sharing from the honourable guest, Miss Choi, the founder of Choi's Library, a book van. Our schoolmates also enjoyed the Book Fair and the Game Booths.

### Storytelling to Primary Two Students

2018.11.14

The Library Society held a storytelling activity in November, in which we acted as storytellers to the Primary 2 students. The preparation work was actually quite amusing. We turned our story into a little play and had fun playing around with the characters. Plus, the Primary 2 students were so enthusiastic. I had never thought they could be completely

absorbed into such a simple story and laughed so much because of it! It made my day. I felt so warm and contented to bring joy to my cute junior sisters!

### Visit to the Chiu Chow Association Secondary School Library

2019.3.26

It was an amazing day as I got a chance to visit another school and meet new friends! Although I felt a bit nervous and tired at the beginning, I felt excited and enjoyed it very much. The most memorable activity to me is the group discussion session. Even though we were not familiar with one another, we all tried our best to understand and learn from our groups. I really hope there will be another chance to meet them!

### Shenzhen Book Store Tour

2019.3.30

The Library Society visited the Reading Mi Bookstore and Shenzhen Library with the Chinese Society. We, as book lovers, had spotted our favorites and, as students, had our horizons broadened.

Looking forward to our mid-day visit!

Looking gorgeous at Reading Mi after a 2-hour coach ride!

## 閱讀，讓我感悟人生(節錄)

2019.4.28

閱讀，就好像進入一個四處都靜止的境界。坐在公車上可以閱讀，在車站排隊可以閱讀，坐在凌亂的小桌前可以閱讀，即使在煩囂的都市裡都可以找到一片寧靜小角，讓我擺脫現實的種種，陶醉書中去感受、去領悟。

最近我陶醉在日本小說《如果這世界貓消失了》裏面，魔鬼向患癌的作者提出，每消除一樣事物，就可以換取多一天壽命。我自翻開第一頁起就沉浸在故事中，停不下來了。其中當作者跟他的貓回憶起跟媽媽最後一次三人一貓的旅行，當時訂不到酒店，媽媽沒有氣惱，晚上一家三口像兒時「川」字形地睡在地上，反而覺得是幸福的一晚。我的思緒就代入了這個情境裡面，就像置身於當晚的感覺，其實真的很感動，理解到媽媽其實一直都沒有在乎過旅行質素如何，她只是希望去世前看到一向不和睦的作者和爸爸能和好如初。在凌亂的書桌前，我的思緒就沉進了作者母親一切舉動背後的愛意中。最後一刻，作者希望母親能不留遺憾地離開。哪知道母親最後的心願仍記掛著他們父子倆，最想看到一家融洽相處。我被她的

愛感動，身邊的一切好像靜止了，讓我沉醉在這情感中。

一頁一頁的小說，一個一個動人的情節，讓我停下來，容我片刻寧靜，點出我平時生活中沒有留神的領悟，省察人生的道理。我想這就是文字的力量吧，看多了領悟多了，書中情境就會浮回來，讓人陷入細思。這正是我閱讀的樂趣，隨時可讀、可想、可悟。

掃一掃，觀看得獎短片

This year, Janice and Pandora have joined the Battle of the Books, in which they are exposed to quality literature representing a variety of literary styles and viewpoints by prominent authors in the area of young adult literature. Whale Boy and Belly Up are two of the selected pieces of this year and let's see how they feel about the books they have read!

**Belly Up**

by Stuart Gibbs

Do you like animals? Are you interested in detective stories? If your answer is yes, Belly Up is the perfect book for you. Teddy Fitzroy is a 12-year old boy who lives in FunJungle, a newly built zoo in the USA.

One day, Henry the Hippo, the mascot of the zoo, has gone belly up. Teddy finds it suspicious and decides to investigate the murder himself, not knowing how much trouble he is about to get involved in. Some people even try to murder him twice because of that. Will he give up? Can he solve the crime successfully? This book is definitely worth reading and you will be amazed at the mind-blowing plot twists.

**Whale Boy**

by Nicholas Davies

Imagine yourself in the middle of the sea. Your boat rocking gently to the lullaby of the waves, the color of sapphire blue strewn with silver threads. With the help of half of a family riddle engraved in a crescent-shaped medallion, you hear the faint 'pfffft' and see the animal believed to be extinct for as long as anyone can remember—whales.

Whale Boy is an ocean-lover's exciting journey, intertwined with friendship and family secrets, to protect the whales from being hunted down. One will surely be intrigued by the gripping mystery it presents and the love between friends, families and animals.

## Book Review : The Interpretation of Murder

by Jed Rubenfeld

What makes a murderer?

What can we deduce from each murder?

Jed Rubenfeld, the writer, weaves psychological theories into this bizarrely witty and intriguing thriller. Why did murderers commit crimes the way they did? What was inside their mind? How can Freud, the famous psychologist, and his theory help explain it?

The Interpretation of Murder brings you on a journey to New York in search of a serial killer. After reading it, you will become both a psychologist and a detective.

## Famous Authors of All Time

Miss Fan Chi Ngan

**Agatha Christie**, who was born in 1890, was a famous English Writer. She is known for her 66 detective novels and 14 short story collections, particularly those revolving around her fictional detectives Hercule Poirot and Miss Marple. She is often considered a master of suspense, plotting and characterization.

I especially like her book *The A.B.C Murders*. There is a serial killer working his way in alphabetical order. **A** is for Mrs Alice Ascher, who was killed in her tobacco shop in Andover; **B** is for Betty Barnard, who was killed on the beach at Bexhill; and **C** is for Sir Carmichael Clarke, who was killed at his home in Churston. In each murder, an ABC railway guide is left beside the victim. Who will be the next one? Will it be someone whose first/last name begins with the letter D? Where will he/she be killed?

Agatha Christie never lets her readers down. There are a lot of unexpected twists in this book and I am sure you will be fascinated by the plot and the mysteries behind.

## 好書推介 《法國高中生哲學讀本系列》 侯貝等著

法國高中學生不論修讀文科、理科或經濟社會科，也必修哲學科，每年法國高考的哲學試題都會成為媒體爭相討論的焦點。題目包括：

「人生的目的是為了快樂嗎？」

「工作的價值是否只在於『有用處』？」

「藝術作品是否必然美麗？」等.....你會點答？

其實很多人都有唸哲學的需要。例如我們有時會被一些問題所困擾，從日常生活的經驗裡出發，那些可能是涉及哲學的領域，而我們卻不知道。社會層面來說，也涉及到我們到底如何去思考問題。翻開這個系列的法國高中生的哲學教科書，能讓你更加了解你身處的世界。由問題帶出的哲學思考，雖然每個章節所討論的議題或許並非對高中生的生活帶來很大影響，但都觸及我們的人生、處事和一個想認真生活的人應關注的問題。哲學不是教我們「吹水」，而是教我們怎麼想，一點都不「離地」呢！
